

Tableau 1

N°	Tile description	N°	Tile description	N°	Tile description	N°	Tile description
1	Room with obelisk and columns	121	Opened room	241	Sewer exiting from the wall	361	Opened room with shelves and fire in the center
2	Room with an hole with a grid	122	Room with a square grid and a chest, one exit locked by stones	242	Sewer with a wooden bridge	362	Throne room with a carpet and 2 columns
3	Corridor	123	Opened room with a grid	243	Sewer with a barrel floating	363	Opened room with shelves, long tables and stools
4	Corridor with little room	124	Opened room, some strange little things are creeping on the walls and a tantacle is exiting of a hole	244	sewer	364	Opened room with tables, chairs and barrels
5	Room	125	Opened room with 3 strange stones on the floor	245	sewer	365	Crypt with a coffin on a stone table
6	Room with an hole with a grid	126	Opened room	246	sewer	366	Crypt with a sarcophagus and 2 columns
7	corridor	127	Opened room with floral drawings on the floor	247	sewer	367	Torture room with a rack, table with tools, brasier, barrel and other horrible things
8	room	128	Opened room with 4 magical drawings	248	Sewer cross with 3 bridges	368	Room with little barrels and boxes
9	Room with barrels (1 entrance)	129	Great corridor or opened room with a drawing of « infinity dragon » (a dragon eating his own tail)	249	sewer	369	Room with columns, a monster god statue and sorcerer table
10	Corridor and a room	130	Great corridor or opened room	250	Sewer with wooden bridge	370	Room with columns and a 2 brasiers
11	Room	131	Great corridor or opened room	251	sewer	371	Corridor between two opened rooms
12	Corridor with magic drawing on the floor	132	Great corridor or opened room with 2 grids	252	Sewer (basin)	372	Room with statues and a skeleton between them ... trap in the statues ?
13	Room with strange stones ... may be a trap	133	Opened room with a sarcophagus / tomb	253	sewer	373	Room with statues
14	Room with a chessboard at the center	134	Opened room	254	Sewer with a grid on the floor	374	Sorcerer room with brassiere shelves, table with potions and candles, table with a spell book
15	Room	135	Opened room with a fountain	255	Sewer with a wooden bridge	375	Library with shelves, armchair and table with a strange book
16	Open room with Columns	136	Corridors withs barrels and boxes on one side	256	sewer with a grid at the center and a barrel on the floor	376	Dead end corridor
17	Room with 2 holes (closed by grids)	137	Corridor with something like a trap (9 small holes on the floor like if peaks or spears could go out)	257	Sewer with a box	377	Dead end corridor
18	Room with a tower of boxes	138	corridor with a hole. Dishes in one recess.	258	Sewer with 2 bridges going on a central plateform and an amphora	378	Dead end corridor
19	Room with a strange drawing	139	2 separates corridors with one barrel. But between them a strange wooden pillar seems to hide a mechanism	259	sewer with barrels (on floating and one on the ground)	379	Full opened room
20	Room	140	Corridor with a big key, some coins and a chest in the wall.	260	sewer with barrels (two floating and one on the ground)	380	Full opened room
21	Room with table and chairs	141	2 Separate corridor. One is passing below the other. At the center of the top one, a strange stone is coming out from the floor	261	sewer	381	Full opened room
22	Room with 2 flashes drawn	142	Corridors with amphoras. Skull of a great monster is buried in the walls	262	Sewer with a chest	382	Full opened room with a little grid on the floor
23	Room with little sanctuary and a column	143	Corridor with a hole	263	Sewer with wooden bridge and an amphora	383	Full opened room
24	room	144	Separate corridors (I forgot to write the number)	264	Sewer with wooden planks like a « bridge »	384	Full opened room
25	Room with basin and fountain	145	Separate corridors (I forgot to write the number)	265	Sewer (one part exiting from the wall) and on barrel	385	Full opened room
26	Little water channel between 2 walls with a bridge	146	Corridor with a grid buried in the walls ... why ?	266	Sewer with one plank used to make a bridge	386	Full opened room
27	Room with a statue	147	Corridor with a small chest	267	sewer with water exiting from a pipeline. One open seat box seems to be the « house » of a creature	387	Full opened room
28	Room with an « old one » drawing and 4 columns	148	Corridor with a strange thing on the floor, like if the floor was contaminated by something. A little altar with glyphs is placed in the corridor ...	268	Sewer with little boxes and barrel	388	Full opened room
29	Room with a magic vortex	149	corridors	269	Sewer with a barrel floating	389	Full opened room with a little grid on the floor
30	Room with a grid on the floor	150	Small room with fungus and a hole	270	Sewer with 2 pipelines dumping water	390	Full opened room
31	Room with little stones floor	151	Cave with mushrooms	271	Sewer with climbing stairs and a pipeline in exiting from the wall	391	Opened rooms with states and some stone circles on the floor (2 metal grids seems to be able to drop poison or smoke)
32	Room with a chimney	152	Cave with mushrooms and a poor adventurer ...	272	Sewer basin with 3 grid, one trap (with peaks) and a small iron chest	392	Opened rooms with states and some stone circles on the floor (a metal grid seems to be able to drop poison or smoke)
33	room	153	Cave with mushrooms	273	Sewer with 4 grids	393	opened room with a blood basin with strange decorations like insects,2 statues of humanoid creature and a great statue of a strange creature. There is a rectangular grid in front of the basin.
34	corridor	154	Cave with mushrooms	274	Sewer basin with a whirlpool	394	Opened room with a sacrificial altar on a platform. Stone table with a book and candles at the back of the room
35	Room with an eye drawn on the floor	155	Cave with mushrooms	275	Sewer with a grid and descending stairs	395	Circular room with a mechanical system to turn corridor (closed)
36	Corridor	156	Cave with mushrooms and fungus	276	Sewer with a box and 2 stairs (one is descending, the other is climbing)	396	Circular room with a mechanical system to turn corridor (opened)
37	Room with an hole	157	Cave with mushrooms and fungus	277	Sewer with 2 bridges and a grid on the floor	397	Breaking room with stones, columns
38	Room with magical sun and barrels	158	Cave with mushrooms and fungus	278	Sewer with barrels	398	Breaking room with stones, columns
39	Room with a bed	159	Cave with mushrooms and fungus	279	Sewer with a barrel. One plateform is at the center of water with a little box. A creature like an octopus is swimming	399	Breaking room with stones, columns
40	Room with a chimney, an obelisk and 4 strange « magical suns » drawn	160	Cave with mushrooms and fungus	280	Sewer with a rope bridge	400	Breaking room with stones, columns
41	Corridor	161	Cave with mushrooms	281	Sewer with a grid on the floor	401	Maze room
42	Corridor	162	Cave with mushrooms and fungus	282	Dead end sewer	402	Maze room with a grid, box and barrels
43	Corridor	163	Cave with mushrooms and fungus	283	sewer with a grid on the floor and a box	403	Maze room with a grid
44	Corridor	164	Cave with mushrooms and fungus	284	sewer	404	Maze room
45	Corridor (with number 46)	165	Cave with mushrooms	285	Sewer with a wooden bridge, a barrel and a sword. Dead end sewer is placed at the bottom of the tile.	405	Maze room with a grid
46	Room with lines drawn on the the ground with number 46 too	166	Cave with mushrooms	286	Cave with climbing stairs	406	Kitchen room
47	Room with 4 holes and 1 grid open	167	Cave with mushrooms	287	Cave with an abyss	407	Apothecary workshop
48	Corridor (with a sarcophagus in the walls)	168	Cave with mushrooms	288	Abyss in a room	408	3 clay graves
49	Corridor	169	Cave with mushrooms and fungus	289	Abyss with a rope bridge	409	Room like an ossuary
50	Room with barrels	170	Cave with mushrooms and fungus	290	abyss	410	Guard room with a weapon rack, shelve, barrel a round table with 4 chairs (to play or to eat) and one table/chair with a register
51	Corridor with bones	171	Cave with mushrooms	291	abyss	411	Corridor blocked by stones
52	corridors	172	Cave with mushrooms	292	Abyss with a rope bridge	412	Cooridor blocked by stones (with a deamon skull in the walls)
53	Skull room with 3 grids	173	Cave with mushrooms	293	abyss	413	Training room (archers target, wooden dummies, weapons rack, barrels, ...)
54	corridor	174	Cave with mushrooms	294	abyss	414	Chess room with chessmen
55	Corridor with a little duct (no water)	175	Cave with mushrooms and fungus	295	abyss	415	Chess room with chessmen
56	corridor	176	Cave corridor with mushrooms	296	abyss	416	Circular Room with a chest . Walls seems to have a circular move (opened)
57	Cooridor with a strange old column	177	Cave corridor with mushrooms and fungus/ A hole is buried in the walls	297	abyss	417	Circular Room with a chest . Walls seems to have a circular move (closed)
58	Room with wooden floor	178	Cave corridor with mushrooms	298	abyss	418	Magic hole. Table and chairs are floating above the hole
59	corridor	179	Cave corridor with mushrooms. One grid in the corridor an 2 grids buried in the walls	299	abyss	419	2 separates rooms with a chimney on the both sides of the separation wall. One box in a room and one little barrel in the other
60	Room with columns and a snake drawn on the floor	180	Cave corridor with mushrooms	300	abyss	420	Latrines with a barrel
61	Corridor with barrels	181	Corridor with descending stairs	301	Abyss with mushrooms	421	Room with a giant creature in a hole
62	room	182	Corridor with climbing stairs	302	abyss	422	Blacksmith roof
63	room	183	Room with Great climbing stair	303	abyss with little stones making a circle, a sword and rope bridge	423	Observatory with an armillary sphere and a great telescope
64	Room with little stones or fungus	184	Room with an ibelisk, columns and great climbing stairs	304	Abyss with a little magical portal	424	Little river exiting from a wall with rope bridge
65	Room with little stones or fungus	185	room with magical drawing and great descending stairs	305	abyss	425	River
66	corridor	186	Room with columns and strange pavements with great descending stairs	306	abyss	426	Sacrifia altar with a spider statue and columns. Some gutters are full of dry blood
67	corridor	187	room with fountain and circular climbing stairs	307	abyss in front of a cave wall	427	A shop with table, boxes, shelves and barrels
68	corridor	188	Room with circular descending stairs	308	Abyss crossed by a natural stone bridge	428	An iced room

N°	Tile description	N°	Tile description	N°	Tile description	N°	Tile description
69	2 separate corridors	189	Corridor with climbing stairs	309	Cave with climbing stairs	429	A council rool with a big table, chairs, columns and 2 chimneys
70	corridor	190	Corridor with descending stairs	310	Abyss with a magical portal	430	A long room (double door is opened) with carpet at the center, columns and statues
71	room	191	Corridor with climbing stairs	311	Abyss with a tentacle exiting form the darkness	431	Cooridor with a little room
72	corridor	192	Corridor with descending stairs	312	abyss	432	room with a basin and 3 statues
73	Dead en room with box and barrel	193	Corridor with climbing stairs	313	Abyss	433	Archers training room
74	2 separate corridors	194	Corridor with descending stairs	314	abyss	434	An old rotten wooden bridge passing over a room
75	Dead end corridor	195	Separate rooms with climbing and descending stairs	315	Abyss with a box and a barrel	435	Corridor with a rotating stone mechanical system
76	Room with magical sun drawn and 4 columns	196	Room with magical portal	316	Abyss with a chest and some gold in front of a fractured ground	436	A great basin in an opened room
77	room	197	Room with magical portal	317	Abyss with a fracture on the ground	437	River
78	room	198	Room with magical portal	318	Abyss with very fractured ground and mushrooms	438	River with a pontoon
79	Room with barrels	199	Room with magical portal	319	Abyss with very fractured ground making a new hole. One barrel is near the fractured ground	439	River with box, barrel and floating barrel
80	Room with boxes	200	Room with magical portal	320	Little path between 2 abysses	440	End of a river with broken pontoon
81	Room with a strange drawing	201	Corridor with climbing stairs	321	Abyss with fungus	441	Corridors
82	Corridor with little boxes	202	Corridor with descending stairs	322	Abyss with fungus	442	River with 2 alligators fighting
83	Dead end room	203	Corridor with climbing stairs	323	Abyss with fungus	443	Room with 12 doors and a central big pillar
84	Room with a tentacle	204	Corridor with descending stairs	324	Large abyss with half of a rope bridge	444	2 separates rooms. 2 holes (grids have been removed) are connecting this rooms
85	room	205	Corridor with climbing stairs	325	Large abyss with half of a rope bridge (with a barrel)	445	An opened jail
86	Room with a tentacle and boxes	206	Corridor with descending stairs	326	Circular abyss with 2 tentacles exiting from darkness	446	A square cage in a big room
87	Room with a tentacle	207	Corridor with climbing stairs	327	Abyss with a great splash	447	A circular cage with opened door in a room
88	corridor	208	Corridor with descending stairs	328	Abyss with stairs climbing in the cave wall. A barrel is placed at the vicinity of stairs	448	A corridor passing below an other corridor
89	Dead end corridor	209	Corridor with climbing stairs	329	Magical portal between 2 abysses	449	Corridor with coffins in alcoves
90	Dead end broken corridor with littles stones	210	Corridor with descending stairs	330	Abyss with a « bridge » make with planks	450	Corridor with coffins in alcoves
91	Dead end corridor with a strange creature in the walls	211	Opened room with grid	331	abyss	451	Room with a giant pillar
92	Corridor with a room (dead end)	212	Opened room with 2 columns	332	Begining or ending of abyss. Skeleton of a bug creature like a lizard	452	Room with a basin full of a black liquid
93	corridor	213	Opened room with bull head drawing	333	Cave	453	Room with a basin full of a black liquid
94	Altar with tantaes and strange things drawn	214	Opened room with barrels	334	Cave corridor	454	Corridor with a hole. Tantacles are exiting from it
95	3 dead en corridors	215	Opened room with a fist drawing	335	Cave corridor	455	Cooridor with some planks
96	corridors	216	Opened room with a fountain (or little basin)	336	Cave with a bed, a chest, a box and 3 barrels	456	Room with a sarcophagus
97	room	217	opened room	337	Cave corridor with some branches on the ground (a trap ?) In the cave walls the is the skull of a giant monster	457	Corridor with a grid and some strange stones exiting from the walls
98	corridor	218	Opened room with columns and snake drawing	338	Cave corridor withe a grid	458	Room with a giant gearwheel system and a lever on the wall
99	corridor	219	Opened room with 4 little chests	339	Cave (2 rooms separated by a wooden wall) with table, chairs, chest and barrels	459	Room with coffins
100	Dead en room (exits are closed by stones, barrels and boxes) Littles drawings on the floor	220	Opened room with a trapdoor on the ground	340	Cave corridor with stairs	460	Room with picks in a pit wich is separating the access from 2 chests.
101	Little room	221	Opened room	341	Cave with table, chairs, boxes and barrels	461	Basic corridor
102	Room with creature in the wall	222	Opened room with pillars	342	Cave with barrels, a box and a strange stone with peaks	462	Basic corridor
103	Room with tentacles in the wall	223	Opened room	343	cave corridors	463	Basic corridor
104	room	224	Opened room with 4 columns and « viking style » dragon drawing	344	Cave corridors	464	Basic corridor
105	Room with a little wall at the center and 1 exit blocked with barrels	225	opened room	345	Cave with bed table, chairs, 2 chests, on box and 2 barrels. A grid is in the ground at the center	465	Basic corridor
106	Room with a grid and 6 strange stones liners	226	Room with the biggest treasure ever seen and an iron door	346	Cave with a chest	466	Basic room
107	corridor	227	Room with 9 chests and a stone door	347	Cave with a table dans chairs	467	Basic room
108	Room with a spider drawn	228	Jail with 4 cells, grids on the floor and « beds » in the cell. Cell are closed by railings	348	Cave with a hole, a lot of branches, a chest after passing planks (like a trap)	468	Basic room
109	Strange corridors with spider threads	229	Jail with 4 cells, grids on the floor and « beds » in the cell. Cell are closed by railings. There is a hole in a black room, closed by a door	349	Corridors with 2 holes, and a barrel	469	Basic - 2 separate corridors
110	Strange corridor	230	Jail with 3 cells (one is bigger than the other), grids on the floor and « beds » in the cell. Cell are closed by railings	350	corridor	470	Basic corridor
111	Strange corridor with spider thread and a giant spider (hidden or in the walls)	231	Room with an altar (some blood on altar and on the floor), a deamon statue and columns	351	cave with a box and a big barrel	471	Basic corridor
112	Strange corridors with spider threads	232	Throne room with columns and chairs a carpet is on the ground behind the platform of the throne	352	Cave with a small chest and 2 small barrels	472	Basic room
113	Room with a spider net	233	Opened room with skull drawing	353	Cave corridors with traps (some peaks exiting form the walls, branches, special « stone » on the floor). A little cage is in a dead end and there is a barrel	473	Basic room
114	Cooridor (spider net in the walls)	234	Opened room with castle and swords drawing	354	Cave with a bed, a chest and a wooden trap door	474	Basic room
115	Room with drawings in the ground	235	Opened room with ecu shield drawing	355	Cave with a barrel and a box	475	Basic - 2 separate dead end corridors
116	Room with a spider net	236	Opened room with magical drawing (like a mandala)	356	Cave with one hole, a barrel and a chest	476	Basic - dead end corridor
117	Rest room (3 tables and chairs)	237	Opened room with 4 columns and a diamond drawing	357	Cave with some branches	477	Basic room (little with corridors)
118	Little chapel	238	Opened room with lion head drawing	358	Cave with a square hole	478	Basic room
119	Room with little table/chairs and corridor	239	Opened room with dragon head room	359	Cave with a natural hole	479	Basic corridor
120	Room with a strange basin in the center (dark unknown liquid)	240	Opened room with temple front drawing	360	Cave with a bed, a tables with chairs, 2 boxes and 2 barrels	480	Basic opened room
